Hence, the students were informed. The programme was redesigned as 5-Year Integrated MSc programme and all the students were asked to give individual undertaking that they have willingness for this change. (<i>Undertaking Copy is Enclosed</i>).</p> <p>These students have completed 6 semesters in May, 2016. In a meeting in March, 2016, these students were advised to exit from 5-Year MSc programme and seek admission to 3-Year M.Sc. B.Ed. Programme through CUCET, in case they want to join B.Ed programme in this university.</p>

Meanwhile, University received approval from NCTE to start 3-Yr Integrated MSc-B.Ed programme in 4 subjects (Physics, Chemistry, Mathematics and Economics) with intake of 25 for each subject. The programme was launched in the year 2015.

**Matter for Consideration:**

Students of 5-Year Integrated MSc programme (2013 Batch) who have completed 6 semesters are now demanding that they should be admitted to 3-Year M.Sc. B.Ed. programme.

Several consultations with students, Deans etc. have taken place to examine different possibilities.

**The following is placed before consideration of Academic Council:**

In principle, approval of Academic Council is being sought to transfer the students of 2013 Batch to 3 year M.Sc. B.Ed. programme provided he/she fulfill eligibility criteria and subject to approval of NCTE without any violation of GoI/CURaj reservation norms.

**Placed before the Academic Council for Consideration.**

*The Academic Council discussed the matter in brief and following points were emerged:*

- 1. The HODs shall ask students of 5-Year Integrated M.Sc. programme (2013 Batch) to submit their choice as regards their interest to switch over to Integrated M.Sc.-B.Ed. programme after exiting the current programme and joining the new programme.*
- 2. The number of seats of 3-Year M.Sc.-B.Ed. programme shall be calculated after deducting number of seats advertised in CUCET from the total intake sanctioned by NCTE.*
- 3. After receiving the choices, the NCTE will be approached for following approval:*
  - a) If the total choices received is less than or equal to the remaining vacant seats in the said programme, the seats of 3-Year M.Sc.-B.Ed. programme may be filled on the basis of the merit only up to the total intake sanctioned by NCTE.*
  - b) If the choices of the students, so received, exceed the total remaining vacant seats in 3-Year M.Sc.-B.Ed. programme, then University will seek permission from NCTE for one time increase of intake for 3-Year M.Sc.-B.Ed. programme, only for the batch of 2013 as a special case and such choices will be entertained subject to receiving approval from NCTE for those enhanced seats.*
- 4. The matter will further be taken up with the Academic Council after approval of NCTE.*
