

Advertisement for the Post of Junior Research Fellow

Applications are invited for the position of Junior Research Fellow in the research project, entitled “*Multi-functional Nanomaterial Systems for Modulation of Glycosylation in Animals*”, funded by Department of Science and Technology (DST-Nano Mission), New Delhi, at Department of Pharmacy, School of Chemical Sciences & Pharmacy, Central University of Rajasthan, Bandar Sindri, Dist. Ajmer, Rajasthan. The position is purely on temporary basis.

Name of the Position Available:	Junior Research Fellow (01)
Tenure of the Assignment:	01 year (extendable to a total of 03 years based on performance)
Fellowship:	Rs. 25,000/- p.m. (+ HRA, as permissible for 1 st and 2 nd year) and 28,000/- p.m. (+ HRA, as permissible for 3 rd year), in case of extension
Essential Qualification:	Master of Pharmacy (Pharmaceutical Chemistry/Pharmaceutics) with minimum of 55% marks
Desirable Experience:	Working experience in nanotechnology-based synthetic approaches employed in drug delivery
Last Date:	08 th June 2018

The candidates may apply on a plain paper, along with their curriculum vitae (including e-mail id, phone number and passport size photograph) and preferably e-mail to drkaisar@curaj.ac.in or post the hard copy to the address mentioned for the *Principal Investigator* (PI) on or before the last date. Candidates will be shortlisted based on the merit and need of the project. Shortlisted candidates will be intimated for the interview *via* e-mail. If called for interview, candidates should bring the original certificates, proof of experience and other relevant documents.

No TA/DA will be paid for attending the interview.
