

IC-MTSB 2024

International Conference on Microbial Technologies for Sustainable Bioeconomy (31st Jan -01st Feb. 2024) Virtual Mode

UGC Category –I University

Organized by

School of Life Sciences, Central University of Rajasthan. Kishangarh- Ajmer
(Under the aegis of Ajmer Chapter of the Association of Microbiologists of India (AMI))

IC-MTSB 2024 aims to bring together the National & International Scientists, Researchers, and Industrial Collaborators to share their expertise and latest developments in the field of Microbial Technologies for Sustainable Economy

Chief Patron

Prof. Anand Bhalerao, HVC - C.U.Rajasthan

Conference Theme

- Microbial Bioprospecting
- Bioenergy
- Therapeutics Design and Development
- Artificial Intelligence in Microbial Technologies
- Innovation and Bioentrepreneurship
- Nanotechnology based Bioremediation

Conveners

- ❖ Prof. Pradeep Verma
- ❖ Prof. Pawan K. Dadheech
- ❖ Prof. Chandi C. Mandal (Dean, SLS)

Organizing Secretaries

- Dr. Tarun K. Bhatt
- Dr. Nidhi Pareek
- Dr. Akhil Agrawal
- Dr. Janmejy Pandey
- Dr. Vishvanath Tiwari
- Dr. Garima Kaushik
- Dr. Shailesh Patidar

Scientific Advisory Committee

- Prof. Andrew Ogram, University of Florida, USA
- Prof. P. K. Obulisamy, University of South Dakota, USA
- Dr. Devraj Joshi, Tribhuvan University, Nepal
- Prof. D. Y. Rao, Principal Scientist. TNBD, CSIR
- Prof. Yogesh Souche, Former Director, NCMR – Pune
- Prof. Ashok Dubey, Professor, NSIT
- Dr. Alok Srivastava, NIAB, Hyderabad, India
- Dr. Anita Aggarwal, Head Tech. Dev. & Transfer, DST
- Dr. Balle D. Shenoy, Principal Scientist NIO- CSIR
- Prof. Bhawana Pathak, Head SESD, C. U. Gujarat
- Dr. Shriram Raghwan, VP, Evolva Biotechnology
- Dr. Vishal Acharya, IHBT, Palampur

IC-MTSB 2024

International Conference on Microbial Technologies for Sustainable Bioeconomy (31st Jan -01st Feb. 2024) Virtual Mode

UGC Category –I University

About the Ajmer Chapter of Association of Microbiologists of India

On October 03, 2022, the AMI-Ajmer Unit was founded under the auspices of the Association of Microbiologists of India. A number of M.Sc., PhD., and faculty members from the vibrant fields of environmental and biological sciences in Ajmer and the surrounding areas constructed the unit. We also have members from nationally significant institutes and international universities. The AMI-Ajmer unit is committed to expanding rapidly in order to establish a cutting-edge research ecosystem in remote areas of Rajasthan through the frequent holding of scientific gatherings such as conferences and workshops. Our mission is to address local social problems while being relevant to global issues. .

About the Central University of Rajasthan

Central University of Rajasthan (C. U. Raj.) has been established by an Act of Parliament (Act No. 25 of 2009. as a new Central University and is fully funded by the Government of India. The President of India **Her Excellency Smt. Droupadi Murmu**, the Honorable President of India, is the Visitor whereas **Honorable Prof. Anand Bhalerao Ji** is the Vice Chancellor of the University. This University was established with the aspiration to be one of India's most dynamic and vibrant universities in order to impart cutting-edge education to all the learner communities. In this short span of time, the University has emerged as one of the top academic institutions by adopting cutting-edge technology to impart knowledge for global outreach. The University is one of the fastest-growing and flourishing institutes of higher education in Rajasthan. In the recently completed 2nd Cycle of NAAC assessment and accreditation, C. U. Raj. has secured the **A++ grade with the CGPA of 3.54**. Also, C. U. Raj. has been given the prestigious **Category –I University Status by the UGC, Govt. of India**. These accolades are the testimony of the academic and research excellence that the University has achieved under the able leadership of its leaders over a short period of its existence.

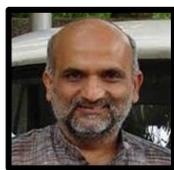

About the Conference

This is the first conference of AMI-Ajmer local chapter. Experts, scholars, and practitioners in microbiology will gather for the MTSB 2024, which promises to be an engaging and instructive meeting. We hope that this conference will serve as a platform for the exchange of ideas, knowledge, and the most recent advancements in the industry. At this conference professionals will have a fantastic opportunity to network within the field, collaborate, and discuss research discoveries.

Register Online: <https://forms.gle/KMm7QzffXUF6ngXU6>

Categories	Online Participation
• Post-Graduation students	Free
• Ph.D/Post-Doctoral Fellows/ Res. Associates	Rs. 250
• Faculty, Scientists	Rs. 500
• Industry and Corporate sector	Rs. 1000

Speakers

Prof. Yogesh Souche, SKAN
Research Trust, Bangalore
DBR- NCMR-NCCS, Pune.)

Prof. Andrew Ogram,
Univ. of Florida. USA

Erika Iveth Cedillo-
González, University of
Modena and Reggio
Emilia, Italy

Dr. Parthiba Karthikeyan
Obulisamy South Dakota
School of Mines and
Technology, USA

Prof. Imtaiyaz
Hassan, Jamia Millia
Islamia, New Delhi

Prof. Timir Tripathi,
North-Eastern Hill
University, Shilong

Prof. Ashok Dubey,
Professor, NSUT,
New Delhi

Prof. Rajat Sandhir,
Punjab University

Dr. D. Yogeswara Rao,
Former Adviser and
Head, TNBD Division,
CSIR

Dr. Anita Aggarwal,
Head-Technology
Development
Transfer, DST

Dr. Shriram Raghavan,
Vice President
Jananom Technologies,
Evolva Biotech

Prof. Bhawana Pathak
C. U. Gujarat, School of
Env & Sust. Dev.

Prof. Belle D. Shenoy,
CSIR- National Institute
of Oceanography,
Vishakapatnam.

Dr. Diwakar Kumar,
Aasam University,
Silchar

Dr. Puran Singh
Solanki, BISR,
Jaipur

Dr. Vishal Acharyai,
CSIR-IHBT,
Palampur
