Project Associate-I (01 post)

Applications are invited for the post of Project Associate-I (Theoretical/Computational chemistry) on contract basis to work on the DST-sponsored research project entitled "**Quantum nuclear dynamics of large amplitude motions in thermo/photo-chromic molecules**", (SRG/2021/001684) sanctioned to Dr. Rajagopala Reddy Seelam, Assistant Professor at the Central University of Rajasthan (CURAJ).

Details of the post are as below:

Position	Project Associate-I (01 post)
Duration	Till 13/12/2023
Essential Qualification	M.Sc. Chemistry/Physical Chemistry (minimum 55% or equivalent CGPA)
Desirable	Qualification of National Eligibility Tests such as CSIR-UGC NET including lectureship or GATE. Working experience in the area of theoretical or computational chemistry or theoretical molecular spectroscopy.
Application deadline	03/08/2023
Consolidated Salary	Rs. 31000 per month for candidates qualified National Eligibility Tests CSIR-UGC NET including lectureship or GATE Rs. 25000 per month for others
Age Limit	35 years with relaxation as per Govt. norms

How to apply: Interested candidates are requested to send their CV (with photograph) and educational certificates (10th class onwards) to the Principal Investigator (Dr. Rajagopala Reddy Seelam) via email (rajagopala.seelam@curaj.ac.in) on or before **August 3rd, 2023**.

Date of Interview will be notified separately. Only shortlisted candidates will be entitled for the interview. The interview will be held in the Department of Chemistry, Central University of Rajasthan. No TA/DA will be provided to the candidate for participating in the interview. Original mark sheets and relevant certificates of educational qualification of the candidates will be verified prior to the interview.
