

About the University

Central University of Rajasthan proudly holds an A++ grade in its second NAAC accreditation cycle, marking a significant milestone in its commitment to excellence and sustainable development. Established in 2009 by an Act of Parliament, fully funded by the Government of India, CU Rajasthan was envisioned as one of India's most dynamic and inclusive universities, dedicated to providing quality, innovative education to diverse learner communities.

In 2023, CU Rajasthan was recognized as a Category One University by the University Grants Commission (UGC), further underscoring its academic and institutional prominence.

The University offers 62 innovative Masters' and Ph.D. Programmes in its 13 Schools and 35 Departments are at par with global competence and consistently strive to provide quality education and foster an environment that promotes academic excellence and holistic development.

The university's lush green residential campus of 518 acres offers an ideal, pollution-free environment that promotes academic excellence, research, and holistic development.

Now, Central University of Rajasthan has marked a significant milestone in its journey towards fostering inclusive and equitable education with the launch of its Open and Distance Learning (ODL) programs.

About the Department

The Department of Education, Central University of Rajasthan, was established in 2014. It is running three programs, i.e., Innovative M.Sc. B.Ed. in four disciplines, ITEP (B.Sc. B.Ed. in Secondary Stage), and Ph.D Programme. It has organized various seminars and workshops in the last five years and has initiated organizing a research methodology course.

As a research-intensive university, the Department of Education has always had a unique mission to support teaching, learning, and research to serve the academic community.

About the Research Methodology Course

The course is designed to offer theoretical and practical guidelines to direct the researchers through all stages of research, from identifying a research problem to writing a report and developing research articles. The course will deal with various quantitative and qualitative research methods used in the social sciences. The workshop enhances hands-on experience in data analysis with the help of software packages. Ultimately, the course aspires to empower attendees with more profound knowledge, conceptual clarity, and the tools required to produce high-quality research in respective fields.

Course Objectives

1. To develop comprehension and to be apprised of the fundamentals of Research
2. To develop competency for conducting qualitative research, choosing appropriate methods for research problems.
3. To equip with practical skills in designing, conducting, and analyzing research.
4. To acquire various data collection and analysis techniques, including statistical software.
5. To communicate their research findings through writing and presentations.
6. To acknowledge emerging trends & areas in social sciences research.
7. To acquaint oneself with citation and reference tools and plagiarism tools.

CENTRAL UNIVERSITY OF RAJASTHAN

**Accredited with A++ Grade by NAAC
Category 1 University**

10-Day Research Methodology Course for Social Science Researchers

**Sponsored by
Indian Council of Social Sciences
Research, New Delhi**

September 10-19, 2025

**Organized by
DEPARTMENT OF EDUCATION
CENTRAL UNIVERSITY OF RAJASTHAN,
BANDARSINDRI, AJMER (RAJASTHAN)**

Key Features

- ✓ Comprehensive Modules: Covering topics such as research design, hypothesis formulation, sampling techniques, data analysis methods, Report writing, and ethical considerations
- ✓ Practical Training: Hands-on sessions with statistical tools like SPSS, R, and qualitative analysis software like NVivo.
- ✓ Expert Guidance: Led by experienced researchers and academicians with proven expertise.
- ✓ Interactive Learning: Group discussions, case studies, and project-based exercises.
- ✓ Networking Opportunities: Collaboration with peers from diverse disciplines and institutions

Registration

The Target Audience mentioned in any branch of Social Sciences is invited to apply for this Research Methodology Course. The selection committee will review the applications and select suitable candidates. Incomplete applications and applications not submitted through the proper channel will not be considered. Candidates must submit their applications online. The list of selected candidates will be notified on 3rd September 2025 and displayed on the university website before the workshop begins.

Target Audience:

- ❖ Ph.D. and Post-Doctoral Scholars
- ❖ Faculty members interested in enhancing their research skills
- ❖ Professionals involved in research-oriented roles
