About Our Department

Since 2011, the Department has built the foundation for the students to produce cutting edge documentaries, films, videos, photographs, and other forms of creative expression. The students are acquainted with media industries and organizations through media internships, industrial visits, & workshops.

Why Join us?

Academic Excellence

Diverse programs and renowned faculty committed to providing a world-class education.

State-of-the-Art Facilities

Modern classrooms, Media Lab, library facilities. Separate hostel for boys & girls

Innovative Programs

Cutting-edge courses and interdisciplinary opportunities designed to prepare students for the future. (NEP 2020 based syllabus)

Internship & Placement

A compulsory media internship done by students exposes them to the vibrant media industry for future placements.
