About Central University of Rajasthan and Department of Biotechnology

The Central University of Rajasthan (CURAJ), established by an Act of Parliament (Act No. 25 of 2009), is fully funded by the Government of India and is accredited as A++ grade by NAAC. The University operates from its permanent campus of 518 acres with separate hostel facility for boys and girls, and a world class library.

The Department of Biotechnology was established in the year 2011 and started M.Sc. in Biotechnology as its flagship program in the same year. At present, the department is offering M.Sc., integrated M.Sc. and PhD programs. The department also offers M.Sc. Biotechnology programme sponsored by DBT, GoI since academic year 2020-21. The department has highly qualified and enthusiastic faculty members and well-equipped laboratories. The department and its faculties have several prestigious extra mural fundings including DST-FIST, DBT-Builder and IRHPA grants.
